

## Fools

👁 21 ✓ 1 ★ 2

### Chapter 1 by Story Wars

*Only fools fall for you. Only fools fall.*

You had beautiful eyes that danced in the sunlight. Freckles adorned your cheeks like spots of paint flicked across a canvas. Your lips were as smooth as satin. I loved the way they moved as you spoke, fumbling through your words, and the way you smiled.

That smile could light up my entire world.

Your smile was so beautiful, despite how infrequently you would show it to me. I need to remember your smile. I need to remember what you looked like before you died.

Before you killed yourself.

### Chapter 2 by Philip B Towan

"Have I really Fallen?"

Why can't you see me? I am here in front of you! What do you mean I killed myself?

I am right here looking deeply into your eyes, I am stroking your beautiful long brown hair, but you can't see me.

Am I really dead?

I want to taste your luscious red lips but fear you will not feel it. I remember the first time we kissed...It was our only kiss. I was in heaven on Earth, I could feel music flowing through my soul.

Oh how I wanted to feel like that again! Please God, let me with the one I love!

God???
